

**TO BE PROVIDED ON COMPANY LETTERHEAD**

Dear Drs Susini and Johnson,

*Letter of commitment for the participation of **COMPANY** in an InnovaXN PhD project*

Herewith **COMPANY**, represented by **XXXXX**, acting in his/her capacity as **XXXXX**, commits to participation in the PhD project titled "**XXXXX**" should the project be selected for the InnovaXN programme.

As core requirements, if the project is selected, the company will host the PhD student for a minimum of three months to carry out part of his/her thesis work. In this context, the company will grant the student the following benefits and services:

- The company covers all extra costs that are related to the working period at the company (other than salary, travel, accommodation) and offers the same advantages as to the company employees (e.g. access to canteen).
- The student has access to the company's installations as necessary for the PhD work.
- The company provides the environment, supervision, training and equipment necessary to perform the PhD work.

Should the PhD project be selected, a collaboration agreement between the project partners will be signed and which will contain the full conditions of the collaboration. **COMPANY** assigns **XXXXX** as the Industrial Supervisor, who will participate in regular project and supervisory meetings and who will be the primary contact person for the preparation of this agreement.
